

## **In the Quiet...**

Do we truly know how to exchange love with our Father as we spend time with Him? Being with Him with no interruptions and distractions has great rewards. Be blessed and encouraged to make this a regular part of your relationship with the Lover of your soul!!

In the quiet...

- there He meets us
- there He testifies to our spirits that we are His
- there He reveals His wisdom
- there He fills us with joy and peace
- there He renews and rejuvenates us
- there we are filled to the fullness of God through the love of Jesus
- there we tell Him with our words and hearts how much we love Him
- there we pour out our gratitude remembering His sacrifice -- the very details
- there we remember and re-live our first-love experiences with Him
- there we recount all the mercy and grace He has shown to us
- there we overflow with gratitude for the trials and tribulations and the resulting victories in our spirits
- there we truly surrender all to Him
- there we lift Him up and please Him with our praises
- there we worship and adore Him and honor His deity
- there we bond with Him a connection that cannot be broken
- there our faith is increased and grown to a place that is immovable
- there we "know" Him, we are intimate with Him, and we abide in Him
- there we hear His soft gentle voice speaking words of love and knowledge to us
- there we experience what is in His heart and what He feels
- there we are equipped to bear fruit and are filled to testify
- there we meditate on His word and write it on the tablets of our hearts
- there we are released from bondage and experience freedom, liberty, and rest
- there, in the quiet place, we meet with Jesus, the Lover of our souls
- there we truly find Him and He truly finds us
- there we are forever changed!
